declare: that our citizenship, residence address, and post office address are as set forth above;
that we verily believe we are the original, first, and joint inventors of the subject matter of the
invention or discovery entitled OPTICAL CIRCULATOR FOR BI-DIRECTIONAL
COMMUNICATION for which a patent is sought and which is described and claimed in the
specification which was filed in the United States Patent and Trademark Office as Serial No.
10/623,827 on July 21, 2003; that we have reviewed and understand the contents of the above-

identified specification, including the claims, as amended by any amendment specifically referred to herein; and that we acknowledge the duty to disclose information which is material to the patentability of this application in accordance with Section 1.56(a) of Title 37 of the Code of Federal Regulations.

We declare further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

We hereby appoint as our attorneys and/or patent agents those listed under the Customer Number 022913 with full power to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.
